

Dr. Jonas Ridderstråle, Phd, MBA

Dr. Jonas Ridderstråle is one of the world's most influential and respected business thinkers and speakers. Since bursting onto the international scene with the bestselling book *Funky Business* in 2000, Jonas has remained at the forefront of the new generation of management thinkers. In 2014, the *Global Top 30 Management Gurus* ranking put him at number 23 worldwide and among the top 5 in Europe.

Dr. Ridderstråle is a presenter with a difference who makes a difference. He has spent the last 15 years giving people the competence, confidence and courage to think, feel and do things differently. In keynotes and workshops, Jonas conveys his message with passion and energy, adding not only improved skill but also inspiring the will and thrill necessary for change. His forceful blend of academic rigor, imagination, humor and highly dynamic presentation style has inspired audiences from Moscow to Mumbai and San Francisco to Shanghai. Jonas' diverse client list includes Fortune 500 companies, major government bodies, sports teams as well as trade unions.

Jonas has an MBA and a PhD in international business and was recognized as Sweden's outstanding young academic of the year. In 2007, he was awarded the prestigious Italian Nobels Colloquia award for "Leadership in Business and Economic Thinking". Jonas is currently a visiting professor at the internationally acclaimed business school Ashridge in the UK. His research has been published in leading academic journals.

Jonas' original claim to fame *Funky Business: Talent makes capital dance quickly* became an international success, selling more than 300,000 copies. The book was recently ranked at number 16 in a Bloomsbury survey of the best business books of all time. The sequels, *Karaoke Capitalism: Management for mankind* and *Funky Business Forever: How to enjoy capitalism*, also became globally celebrated manifestos for how to make it in the new world of commerce. (All three books were co-authored with Kjell A. Nordström.)

Jonas' latest bestseller *Re-energizing the Corporation: How leaders make change happen* (co-written with Mark Wilcox) explains how to combine the why and how of leading change. His books have been translated into more than 30 languages and published in more than 50 countries worldwide. Jonas is currently working on a new book to be published in 2016.

Dr. Ridderstråle's ideas and work have attracted huge media coverage throughout the world. He has appeared on CNN's "Global Office" in an extended interview exploring the ideas behind his books. Elsewhere, he has been featured in *Fortune*, *Fast Company*, *Time Magazine*, *Financial Times*, *The Times*, *Stern*, *Newsweek*, *Paris Match*, and many other publications worldwide.

When he is not on the road, Jonas is based in Stockholm, Sweden, where he lives with his wife and two children.
